Subject Re: Has meeting with Gina on Subpart W been submitted to Emily?

Given the limited time in the new year before the briefing (OAR will probably want it the day before), here's my suggested revision. I have made quite a few changes, so use your judgment. I've added a number of slides, including slides 2, 3, and 14. Slides 10 and 11 consolidate a number of slides, where I thought there was just too much detail. Editorial changes on slides are noted in **red** (I think there's only one strikeout, but in the titles I just put the new wording in).

On the last slide, I'm anticipating that Jon/Alan/Mike would want something that lays out the schedule as we ask for her okay. I don't know where things stand on an overall strategy for dealing with OMB on our stuff.

Emily's been out, so I sent the information to Ginny this morning. Asking for the week of the 19th, one hour (but we could probably do with 30 minutes).

---

Hi,  
During yesterday's meeting with Mike it sounded to me like Mike wanted to have a short meeting with Gina on Subpart W. Has anybody begun the schedule request process?

I think the hope was to have it during the week of December 19. Just 30 minutes was my interpretation of "a short meeting".
